By Tram/Metro

Exchange Quay is the closest tram station to us and within 2 minutes walk from the office.

The line to use is the **Eccles to Ashton Under Lyne** Route or the **Pink Line**

Runs through Piccadilly every 12 minutes and takes roughly 10 minutes from there

Alternatively you can go to **Cornbrook Exchange** Tram station which can be accessed by using any of the below lines. Once there you can change on to the **Eccles - Ashton- Under-Lyne** tram **toward Eccles** and Exchange quay is the next stop.

A useful travel and parking guide

By Tram/Metro

Due to improvement work on the Metrolink tram system the section between Deansgate Castlefield and Piccadilly Gardens has been closed until the end of August. This closure will disruption the following services:

- Rochdale to East Didsbury
- Bury to Altrincham
- Ashton to Eccles
- Piccadilly to Media City

This will mean that for this short period you will not be able to get a direct tram from Piccadilly /Albert Square to Exchange Quay which is the nearest tram stop to our offices, but you can still get a tram from Deansgate to Exchange Quay.

Throughout the course of the works there will be bus replacements services running from Piccadilly railway station to Deansgate Castlefield. Information about this can be found on the TFGM website – . <http://www.tfgm.com/Pages/default.aspx>

Alternatively you can:

- get a train from Piccadilly station to Deansgate Railway Station
- walk from Piccadilly to Deansgate Castlefield, this takes approximately 15 minutes
- get a taxi from the railway station, this takes approximately 15 (depending on the time of day) and costs approximately £12

Visitors Car Park

We Are Here

Once you have arrived at Exchange Quay turn right at the roundabout and follow the floor signs for car park 1, security will then direct you to the visitor car park. Once you arrive at the entrance to the car park press the buzzer and tell them that you are visiting North West Employers.

Parking up and leaving the Car Park

Once in the car park please use bays 1-120. On exiting your car, the pedestrian exit is on Level 1A and is between two large orange arrows.

Finding our Building and our office

Once you are out of the car park you will come out alongside Building 5 and Building 8 is opposite. To get into Building 8, turn right once you are at the road and then on your left will be some stairs. When inside the building come up to floor 2.

Leaving the Building and getting back to the Car Park

To leave the Building use the entrance you came in through and go down the stairs. Turn right at the bottom of the stairs and head towards Building 5. Once in front of Building 5, there are 2 entrances back into the car park (one either side of the stairs in front of building 5). At the entrance to the car park you will need to enter the 4-digit code that will be given to you whilst you are here. When you have entered the code pull the door and proceed straight ahead and then you will be inside the car park.

Leaving the Car Park and Exchange Quay

Once in your car head towards the exit barrier and this will rise automatically. Turn left and then left again and follow the road around to exit Exchange Quay.
